

MR2349-788

Serial Number: 10/059,297

Response to Office Action dated 7/27/2004

REMARKS/ARGUMENT

Applicant hereby responds to the outstanding Official Action dated 27 July 2004. In the Official Action the Examiner has required an election between Group I directed to a combination of an earphone cable-receiving casing and a power recharge unit on the casing; and Group II directed to a cable-receiving casing having a cable end which can be connected to an earphone or a power recharge unit.

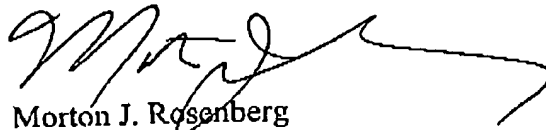

The Examiner has further required election of Species 1 directed to the structure of the cable rewinding mechanism; Species 2 directed to the clamp; or Species 3 directed to the structure of the recharge unit.

By this Response, Applicant elects Group I and Species 3. Further Applicant believes that Claims 1, 5, 7, 11-15 are readable on Group I and Species 3.
